Metropolitan ’14

ARMCHAIRS

2014

Jeffrey Bernett

Description

With their slender profile and expertly tailored design, the Metropolitan ‘14 small and regular armchairs stand out for their modern style marked by the seat flowing uninterruptedly into the armrests. The small version, with a four-spoke aluminium swivel base, combines elegance and comfort, while the regular version, with a four-spoke or round swivel base, is wider and comes with a headrest. Both models can be upholstered is fabric or leather. The series comes complete with a matching footrest.

Technical information
