Lampshades and canopies

IP 20

A beautiful, woman shoulder-shaped pendant lamp that features pleasing curves and a timeless feel. The M68 is an aluminium reissue of the famous pop lamp from the 1960s, also by Miguel Milá. It is now available in brilliant red, matt white or black, and polished aluminium.

The opaque shade and bell-shape cross section generate a diffuse lighting that enhances everything it illuminates. From the centre runs the electric cable and a mini metal cylinder that attach the shade to the fine steel wire from which it hangs.
